A more attractive environment

Situated in Prestwick, South Ayrshire, the home offers a modern and supportive environment with en-suite bedrooms and comfortable lounge areas.

The home has recently been refurbished and each bedroom has been designed to ensure the comfort and safety of the residents. The friendly and welcoming decor helps residents feel at home and there is a tranquil, fully enclosed garden, which offers our residents a relaxing atmosphere and a quiet retreat.

Our dedicated team ensure we meet the resident's individual care and social needs. There is an open door visiting policy and families and friends are always welcome.

Resident at Berelands

Admissions and referrals

Priory Adult Care ensures that the right care package is chosen for all our residents.

An individual assessment of care needs will be carried out with anyone wishing to use our services. This will be completed by a qualified and experienced member of our team and will involve residents and relatives, or family carers, where possible.

Our fees are based on this assessment. Some people may be eligible for financial help towards the cost of care, this is determined on an individual basis. Our Home Manager will be able to discuss these matters further with you.
