Admissions and referrals

Priory Adult Care ensures that the right care package is chosen for all our residents.

An individual assessment of care needs will be carried out with anyone wishing to use our services. This will be completed by a qualified and experienced member of our team and will involve residents and relatives, or family carers, where possible.

Our fees are based on this assessment. Some people may be eligible for financial help towards the cost of care, this is determined on an individual basis. Our Home Manager will be able to discuss these matters further with you.
