Living at Cooper House

Amongst the services available are:

- Local GPs who visit the home regularly
- Local dentist providing a service to residents
- Fresh home cooked food using locally produced ingredients
- Dedicated activities co-ordinator experienced in working with older people
- A visiting hairdresser and beautician outlets within walking distance
- Beautiful patio garden where residents can enjoy sitting outside
- Nearby shops, restaurants and cafés which residents often like to visit

Our social and leisure organiser tailors the activities on a daily basis to meet the needs of our residents. All are encouraged to share their life stories and to create memory boxes, which enhances person-centred care and support. Residents can also go on our regular trips to places such as shops, garden centres and local parks.

Admissions and referrals

Priory Adult Care ensures that the right care package is chosen for all our residents.

An individual assessment of care needs will be carried out with anyone wishing to use our services. This will be completed by a qualified and experienced member of our team and will involve residents and relatives, or family carers, where possible.

Our fees are based on this assessment. Some people may be eligible for financial help towards the cost of care, this is determined on an individual basis. Our Home Manager will be able to discuss these matters further with you.
