

Orchid Lawns

Orchid Lawns offers a supportive and comfortable home, specially designed for older people with dementia.

Introducing Orchid Lawns

The home provides a specialised nursing service for individuals with a diagnosis of mid-late stage dementia, working in conjunction with Central Bedfordshire PCT and Local Authorities.

Care and support is provided in a manner that offers privacy, respect and dignity. Individuals are also able to exercise maximum choice on matters relating to their daily lives.

Qualified nurses are on duty 24 hours a day and are able to cascade knowledge and experience to the team members. Each person has a comprehensive care package tailored to meet their individual needs, a named nurse and a key worker.

What we offer

- Dementia care
- End of life care
- Respite care

A more attractive environment

Orchid Lawns is ideally situated in the affluent village of Steppingley in Bedfordshire and provides residents with extensive communal space and comfortable lounge areas. The home has recently been refurbished and each bedroom, which has the added benefit of en-suite facilities, has been designed to ensure the comfort and safety of the residents. The friendly and welcoming decor helps residents feel at home and there is a tranquil, fully enclosed garden, which offers our residents a relaxing atmosphere and a quiet retreat.

The home also benefits from excellent transport links to the M1 (close to junctions 12 and 13) and the train line into London is accessible from Flitwick just two miles away. Our dedicated team ensure we meet the resident's individual care and social needs. There is an open door visiting policy and families and friends are always welcome.

Living at Orchid Lawns

Amongst the services available are:

- Fresh home cooked food using locally produced ingredients
- An experienced chef catering for all medical diets and personal preferences
- Dedicated activities co-ordinator experienced in working with older people
- A hairdresser who visits the home every week
- Specialised handling and bathing equipment for those who need it
- Nearby shops and cafés which residents like to visit
- Minibus available for resident use

Our activities co-ordinator tailors the activities on a daily basis to meet the needs of our residents. All are encouraged to share their life stories to create memory boxes and enhance person-centred care and support.

Residents can also go on our regular trips to places such as shops, garden centres, the local park and further afield.

Admissions and referrals

Priory Adult Care ensures that the right care package is chosen for all our residents.

An individual assessment of care needs will be carried out with anyone wishing to use our services. This will be completed by a qualified and experienced member of our team and will involve residents and relatives, or family carers, where possible.

Our fees are based on this assessment. Some people may be eligible for financial help towards the cost of care, this is determined on an individual basis. Our Home Manager will be able to discuss these matters further with you.
