

High Cross House

High Cross House supports up to nine people with learning disabilities including those with autism and Down's Syndrome.

Introducing High Cross House

High Cross House is based in an enviable location with good transport links throughout the city, close to major motorways and a train station. There is a variety of local shops nearby and various colleges easily accessible by public transport.

Living at High Cross House

The large Victorian home is situated within easy access of a theatre, cinemas, bowling alley, restaurants, a shopping centre and a museum. Other places of interest are also close by, such as; Alton Towers, Shugborough Hall, Trentham Gardens and Monkey Forest.

Our experienced staff team support individuals to pursue their hobbies and interests and are flexible in delivering an individualised, person-led service.

Our facilities

At High Cross House we have created a homely environment where individuals are encouraged and supported to personalise their bedrooms, and are involved in all aspects of the running of the home and personal domestic tasks, such as; menu planning, shopping, meal preparation, laundry and bedroom cleaning.

There is also a large garden to the rear where barbecues are held in the summer months.

Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives. By working together, we can make a real and lasting difference.

“ I really like living here. I feel so much more independent than I did before. ”

Person supported by High Cross House

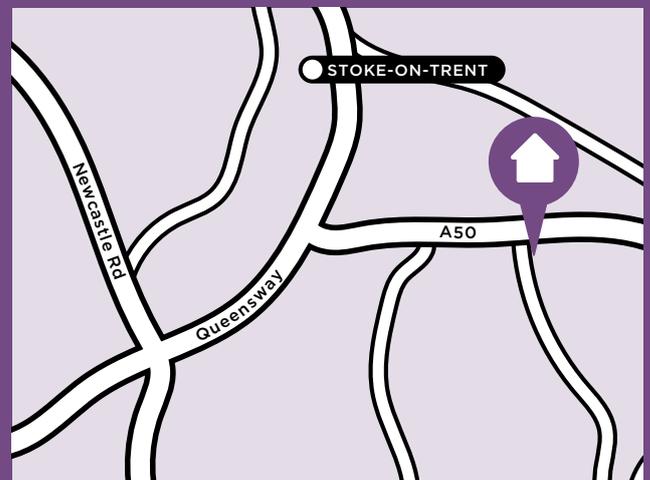

Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate.

We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want.

Referrals can be made through:

- The individual's social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing.
