

Primrose Villa

Primrose Villa supports seven adults with learning disabilities.

Introducing Primrose Villa

Primrose Villa is situated in Bristol and provides support for seven adults with learning disabilities, some with complex behaviours and autism.

The service is located only a few minutes' walk from the local shops, pubs, post office and doctors' surgery, and there is also a bus route outside the home that links with Bristol's busy city centre, museums and Temple Meads train station. Primrose Villa also has a seven-seater vehicle which people can use for home visits, activities, appointments, holidays and other excursions.

Living at Primrose Villa

Primrose Villa is a large semi-detached Victorian house which overlooks Eastville Park with its beautiful lake and riverside walks.

This light and spacious property consists of communal areas such as:

- Two sitting rooms
- A dining room
- A large kitchen
- Utility room
- A large, well maintained garden

Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives. By working together, we can make a real and lasting difference.

“ I now attend college and have started to learn new skills such as art. I even do work experience which I really enjoy. ”

Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate.

We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want.

Referrals can be made through:

- The individual's social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing.
