Living at Priory Highfields

At Priory Highfields, we have created a homely environment where individuals are encouraged and supported to personalise their bedrooms.

Our experienced staff team support individuals to pursue their hobbies and interests and are flexible in delivering an individualised, person-led service.

Our facilities

Priory Highfields comprises of two detached houses and an individual flat in the market town of Chasetown. The houses are secluded and accessed via a small driveway. Each house has its own kitchen, lounge and dining area and most of the bedrooms are en-suite.

Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives. By working together, we can make a real and lasting difference.

“ I would like to say a big thank you to the staff team for helping me to develop my skills and start to enjoy life again. ”

Referrals can be made through:
