The Waves provides assessment and support for adults with autism, learning disability diagnosis, communication difficulties and complex needs.

## Introducing The Waves

The service offers 24/7 specialist residential support and is committed to providing enough support to empower and encourage individuals to develop the skills they need to live as independently as possible, working towards a level of independence which fits with their skills, confidence and aspirations. The Waves is situated in Poole with a wide choice of amenities, with both Poole and Bournemouth town centres lying in close proximity to the service.

## Our services

- Specialist support for people with autism
- Delivering Positive Behaviour Support for people with behaviour that challenges
- Innovative person-centred support programmes in a safe and caring environment
- Access to education and paid employment opportunities
- Interaction within Priory Adult Care's communication strategy 'Your Voice'
- Progression through a care pathway that fulfils each individual's maximum potential to live more independently

## Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives. By working together, we can make a real and lasting difference.

“It's a friendly place, the staff are nice and helpful.”

## Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate.

We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want.

Referrals can be made through:

- The individual's social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing.
