

# Westbury Lodge

Westbury Lodge supports people with learning disabilities and mental health illnesses.

## Introducing Westbury Lodge

At Westbury Lodge, we strive to support people to gain independence within their community, offering innovative solutions and opportunities to maximise their potential. The dedicated staff team are experienced and trained to support people to identify achievable goals and to use a fun, person centred approach.

Situated in a quiet area of Westbury, the home is located close to local shops and a bus stop which is just two minutes away. There is a swimming centre and a small town centre within Westbury.

The local towns of Warminster and Trowbridge are both 15 minutes away and have good shopping facilities. The service is a five minute walk away from a train station, which individuals regularly use for trips to the city of Bath and the beaches, which are just an hour's train ride away.

## Living at Westbury Lodge

Westbury Lodge is a very large detached house consisting of seven bedrooms and one flat. The house has been tastefully decorated throughout and everyone is encouraged and supported to personalise their bedroom. There is a large lounge area, dining room, kitchen and utility room.

There is a large back garden with enough room for individuals to grow vegetables. The back and front garden are both spacious and accessible.

## Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives. By working together, we can make a real and lasting difference.

“ The staff at Westbury Lodge have really helped me to understand myself better. ”

## Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate.

We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want.

Referrals can be made through:

- The individual's social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing.
