

# Woodlands

Woodlands provides 24/7 specialist residential support for adults with autism and learning disabilities in a safe, caring and homely environment.

## Introducing Woodlands

Located in Bamber Bridge, Preston, we specialise in offering an individualised service using a person-centred approach through both community and home-based activities, working towards individual goals and aspirations. By combining communication and sensory input into a needs led care and support package, we make learning and living an enjoyable experience, enabling people to develop as individuals.

The adults we support regularly participate in a wide range of activities that promote independence, including visits to the supermarket, baking and meal preparation.

## Living at Woodlands

Woodlands is situated in the heart of the community in Bamber Bridge, close to shops and amenities including a library, cinema, leisure centre, as well as being only a five minute walk away from local transport links. ## Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives. By working together, we can make a real and lasting difference.

## Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate.

We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want.

Referrals can be made through:

- The individual's social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing.
