

Coral House

Coral House provides assessment and support for adults living with a primary learning disability diagnosis but may present complex conditions, physical disability or communication difficulties.

Introducing Coral House

The service offers 24/7 specialist residential support and is committed to providing just enough support to empower and encourage individuals to develop the skills they need to live as independently as possible, working towards a level of independence which fits with their skills, confidence and aspirations.

Coral House is situated in Rossmore, a quiet suburb located between Poole and Bournemouth offering a wide choice of amenities, with both Poole and Bournemouth town centres lying in close proximity to the service.

Our services

- Specialist support for seven people with learning disabilities who may also present complex needs and physical disabilities
- Innovative person-centred support programmes in a safe and caring environment
- Newly built sensory cabin in the back garden
- Access to education and paid employment opportunities
- Service users can have their views heard via Priory Adult Care's communication strategy "Your Voice"
- Progression through a care pathway that fulfils each individual's maximum potential to live more independently

Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives. By working together, we can make a real and lasting difference.

“ It's good here, I like my friend, we do lots of different things and I get on with the staff. ”

Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate.

We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want.

Referrals can be made through:

- The individual's social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing.
