

Dixon's Farm

Dixon's Farm provides 24/7 specialist residential support for six adults with autism and learning disabilities.

Introducing Dixon's Farm

Located in Preston, Lancashire, the service provides a safe and caring environment where learning and living is an enjoyable experience, allowing people to mature and develop as individuals.

We also aim to provide everyday living experiences within the home and community, supporting regular participation in activities that promote independence including visits to the supermarket and meal preparation.

Living at Dixon's Farm

Dixon's Farm is situated in the heart of the community. We strive to ensure excellent standards in all areas and focus on providing a homely atmosphere for people living away from their family. Each person is supported to have a personalised bedroom and the home also has large grounds which allows for many outdoor activities.

We are located within easy access to local shops and amenities including a library, cinema, leisure centre and a five minute walk away from local transport links. We also have our own mini bus to support individuals to access the local community.

Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives. By working together, we can make a real and lasting difference.

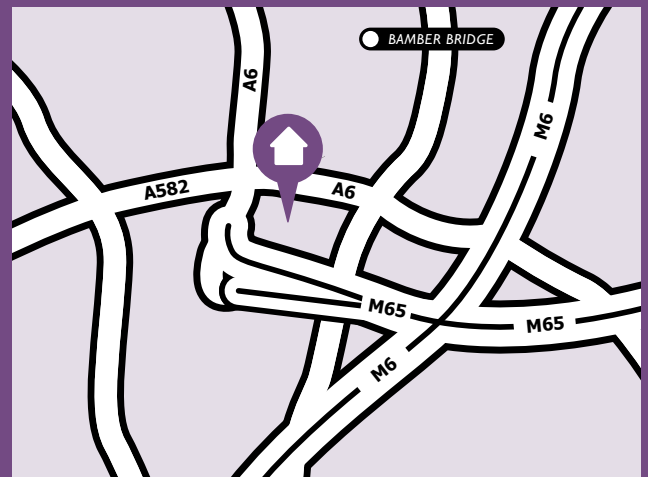

Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate.

We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want.

Referrals can be made through:

- The individual's social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing.
