Introducing Woodhouse Cottage

At Woodhouse Cottage, our aim is to provide the highest quality support which enables people to develop their skills, live as independently as possible and reach their goals.

We have a friendly and highly committed staff team, who provide support that is tailored to the needs of each person. We can offer short or long term stays, and can work to the basis of 1:1 support if required.

We liaise with individuals, families, social services and purchasing authorities to support person-centred planning and ensure that full account is taken of the social, emotional, cultural and spiritual needs of everyone.

Living at Woodhouse Cottage

Woodhouse Cottage is a detached, stone-built house, set in private gardens in East Ardsley near Wakefield town centre, which offers shopping and leisure facilities.

We offer a wide range of facilities including:

- Six bedrooms, all with en-suite facilities
- A large lounge and smaller quiet lounge
- A utility/laundry room

The Cedars has a tranquil garden which offers a relaxing atmosphere and a quiet retreat. A large wooden lodge is also situated in the garden which is used for arts and crafts, computer activities, watching films and relaxing. Our aromatherapist also uses the lodge when making visits.

Everyone is encouraged and supported to use our two kitchens to prepare and cook meals for themselves and others.

Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate.

We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want.

Referrals can be made through:

- The individual's social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing.
