Old Vicarage

Located in Dewsbury, West Yorkshire, Old Vicarage is a new residential service for seven adults with complex needs including autism and learning disabilities.

Introducing Old Vicarage

Old Vicarage is situated on Boothroyd Lane within the large town of Dewsbury. The new residential service is close to local amenities and has good public transport links, with easy access to major bus routes, train stations and the M1 and M62 motorways connecting it to cities including Manchester, Leeds and London.

This Priory Adult Care provision merges the best qualities of a ‘local’ project with the support and expertise of an established and well respected service provider. Old Vicarage supports people aged 18 years and over, however we can accommodate younger people who are 17 years old and going through a transitional process from children’s services.

Admissions and referrals

At Priory Adult Care, we can offer advice about accessing benefits and funding if appropriate. We support people on how best to spend an individual budget or direct payment to make sure the people we support can live the life they want. Referrals can be made through:

- The individual’s social services department management team or, if relevant, their local health authority
- By the individual (or an appropriate adult acting on their behalf) who wishes to use direct payment, individual budget, or who is self-financing

Achieving positive outcomes

By encouraging people to take control and have belief in their potential, we can make positive outcomes a reality for everyone, regardless of age or presumed ability.

We create pathways that support individuals through residential to community living, delivering measurable results for both local authorities and the people who use our services. This, paired with our personalisation agenda, enables us to help the people we support to lead fulfilled, independent lives.
