

# Oak Vale Gardens

Located in Liverpool, Oak Vale Gardens provides specialist rehabilitation care for people with an acquired brain injury (ABI) or progressive neurological conditions (PNCs).

## Introducing Oak Vale Gardens

Oak Vale Gardens is an 18-bedded specialist rehabilitation care home with nursing, for males and females aged 18 years and over. Our programmes are tailored and developed specifically to cater for our residents' individual needs. Oak Vale Gardens is a purpose-built and welcoming centre, with all referrals coming via the Cheshire and Merseyside Rehabilitation Network.

We have two units at Oak Vale Gardens:

- **Stephenson Unit**
- **Unwin Unit**

The units are designed with the needs of the individual in mind. The people we support at Oak Vale Gardens may also require extended rehabilitation (approximately 12-18 months) to meet their physical, cognitive, behavioural and emotional needs, to support a planned return to community living.

## Our multidisciplinary team

Our highly skilled team of treatment providers are specifically skilled in working with people who require neurorehabilitation. The team comprises of:

- Neuropsychologists
- Occupational therapists
- Physiotherapists
- Speech and language therapists (SaLTs)
- Qualified nurses
- Therapy assistants
- Support workers

## An environment supporting recovery

Our absolute priority is to make sure we operate safe and effective services 24/7, and that all staff understand what is required of them to make this happen. We also believe that the environment in which treatment takes place is just as important as the therapy itself. Our facilities include:

- 18 single occupancy bedrooms with en-suite shower/wet room/specialist baths/showers
- A large communal lounge
- A smaller 'quiet' lounge
- A dining room
- A rehabilitation kitchen
- Assisted bathroom with bath and shower
- Low stimulus environment, including light and noise reduction
- Outdoor areas, including a garden with patio area and sensory garden
- Smart technology suitable for use by people with complex needs
- Therapy rooms
- Meeting/board room
- Easily-accessible grounds
- Car parking facilities
- Close to local transport links and motorway networks

## Referrals and admissions

The following criteria details who will benefit from active rehabilitation at Oak Vale Gardens:

- Adults aged 18 years and over
- Those who will benefit from specialist neurorehabilitation
- People who are medically stable but are often clinically dependent
- Those who require care following a stroke
- Individuals who require care following an ABI, or those who have a PNC

All Oak Vale Gardens referrals come via the Cheshire and Merseyside Rehabilitation Network.
